We exist in a world of unbelievable strife. We are torn between a world of happiness and power, but on we move.

Wars may come and wars may pass, but Happiness is always memory of good times.

This annual is only for you. To return to these joys, these memories of happiness, we now look at our past, the year of 1966-67 of YHS.

The Annual Staff

Student Body President Speaks . . .

I would like to take this opportunity to thank the well-selected Student Council, the Student Body, and the Faculty for their services during the past year.

I would also like to thank the Student Body for allowing me to expand my leadership ability and for permitting me to serve such a fine group of people.

I leave Yuma High School with one main wish in mind. I hope that YHS will always maintain the good sportsmanship and pleasant atmosphere I appreciated so much.

L to R: FIRST ROW--Randy Schafer, Leroy Peterson, Barry Hobson, Bernie Blach, Rodney Hahn, Mike Woody. SECOND ROW--Terry Harper, Judy Tribbett, Debbie Baucke, Gerland Klein, Clydette Stulp, Cynthia Hemphill, Sharon Hillman. THIRD ROW--Miss Wing, Toni Harper, Steve Mountain, Susan Bushner, Charae Hemphill, Jerry Josh, Roger Olsen, and Mr. Stumpf.

The National Honor Society does not pretend to be a high class of anti-social students, as some people feel.

The organization is an elite group based on four outstanding qualities--character, scholarship, leadership, and service, but it does not contend to be better than any other group in this field.

NHS interests lie in the furthering of these principles in our American society today. The members hope to keep these goals in front of Americans and help our country to retain its democratic status.

The group is not formed for itself but for you. Ask and you might receive!

I would like to say THANK YOU on behalf of the student body, faculty, and friends, to the annual staff and sponsor, Mr. Charles Pfalmer. GOOD LUCK to the seniors of "67". We are happy that you have been such an important part of our school this year. Our desire is that you will use your high school education as a springboard to even greater and better things in the future.

Early Americans had to live together in harmony, or they would not survive. This was called "government by consent of the governed" or "government in order to live," the beginning of the government we have today.

FUTURE FARMERS OF AMERICA

THE NATIONAL ORGANIZATION FOR BOYS STUDYING VOCATIONAL AGRICULTURE

The boys constituting the Yuma FFA State Judging teams of 1966 were, left to right; Mr. Sowder, Advisor, Don Green (Farm Mechanics), Larry Gardner (Dairy), Bob Mountain (Livestock), Gerland Klein (Dairy), Terrill Gardner (Dairy), Steve Mountain (Crops), Bernie Blach (Livestock), Steve Wenger (Crops), and Don Godsey (Farm Mechanics).

Advisor Mr. Sowder seems to be living it up after spending a week with thirteen FFA boys at the State FFA Convention in June. Actually, he posed for the picture and it's only cherry cider.

Retiring President Larry Neuschwanger presents the gavel to the incoming FFA President for 1966-1967 Bernie Blach at the chapter's Parent and Son Banquet last May.

The boys attending the Convention found the fishing trip to Grand Mesa cold, with snow, hail, rain. Good food and a good time made the outdoor camping worthwhile.
